## Owens Kleen Tank Sanitation Device

### 4 MARINE SEWAGE TREATMENT SYSTEMS

For more than 35 years, Owens Kleen Tank has set the industry standard when it comes to marine sewage treatment systems. That is why countless customers – from single operators to entire fleet owners – have come to trust us to meet all their sewage treatment needs.

#### Applications/Users:

- › Crew Boats
- › Commercial Tug Boats
- › Shipyards/Builders
- › Fleet Owners
- › Inland & Seagoing Vessels
- › Ferryboats

Designed to meet or exceed the highest quality standards, the Owens Kleen Tank delivers the kind of proven performance, reliability and longevity that will save you money for years to come. Our wide range of Marine Sanitation Devices (MSDs) combine the most advanced technology and superior manufacturing techniques to provide you with dependable, worry-free operation. In addition, our units are self-contained, easy to install and will fit into small, remote areas – while still providing the capability to handle large volumes of sewage.

Engineered for optimum effluent compliance, all of our units are U.S.C.G. and IMO certified. We carry a wide variety of sizes in stock – and also have the expertise to custom design and manufacture units to meet your unique needs.

### OWENS OWNERS KNOW BETTER

An Owens Owner recognizes and appreciates the difference between 'price' and 'cost.' Price is what you pay, initially. Cost, is what you pay continuously to own it.

Owens Owners know that a Kleen Tank will cost less in the long run.

Owens Owners know better than to risk a situation with a regulatory agency.

An Owens Owner simply wants a sewage treatment system they can almost forget.

Crews appreciate an Owens Owner.

Many Owens Owners "knew" better back when they had to make a decision years ago.
